

A Little Heart Song

1. Sing a little heart song-Just try!--when anything has gone wrong;
Sing a little heart song-when you're all alone and blue.
Sing a little heart song-Don't cry!--when troubles linger too long;
Sing a little heart song-when you don't know what to do.
The answer is inside; your heart will be your guide.

Br Listen to your heart speak-so soft-like summer breeze on soft cheek,
Like a kitten purring, so meek, mellow, and mild.
Listen to your heart speak-so loud-like thunder at the storm's peak,
Like a soaring eagle's lone shriek, willful and wild!

2. And listen when your heart sings-Unfold!--a song of truth on sure wings;
Its message, like a bell, rings-to guide you on your way.
And following your heart song-Be bold!--you'll never, ever go wrong,
When times are hard, you'll be strong, laugh long, and play-
Just put your cares aside-your heart will be your guide.
Your heart will be your guide.
