

We Can Come Together

Ch We can come together; hold my hand and say
the game of life is loving, and living's just a chance to play.

- 1.** We must play the game together; to win we have to give our love away.
Look into the eyes of your **brother** right now, open up your heart and say:

Ch We can come together; hold my hand and say
the game of life is loving, and living's just a chance to play.

- 2.** We must play the game together; to win we have to give our love away.
Look into the eyes of your **sister** right now, open up your heart and say:

Ch We can come together; hold my hand and say
the game of life is loving, and living's just a chance to play.

- 3.** We must play the game together; to win we have to give our love away.
Look into the eyes of your **friend** right now, open up your heart and say:

Ch We can come together; hold my hand and say
the game of life is loving, and living's just a chance to play.

- 4.** We must play the game together; to win we have to give our love away.
Look into the eyes of your **neighbor** right now, open up your heart and say:

End

Let's Play!
